

Shatterlocks Infant and Nursery School

Newsletter - Friday 13th November

Dear Parents and Carers,

Here is our latest newsletter.

Classroom Learning

This has been another great week at School for all the children!

Yellow and Orange Classes have been making poppies and medals as well as learning about monuments. They have also learned about ordinal numbers and have done clever counting.

Green and Blue Classes have been naming 3D shapes and identifying them in a shape hunt. They have also been learning about the life of Mary Anning, a fossil hunter as well as making fossils in Art. For Remembrance Day, the children created poppy fields and for Children in Need they took part in Joe Wicks' workout!

Indigo and Violet Classes have been solving missing box problems in Maths as well as writing fact files about rainforest animals. They have also focused on tricky word spellings and have compared their lives with children from the Yanomami tribe.

Well done everyone!

School Lunches

There have been a few changes to the menu which will be attached to the newsletter. Next week will be **Week Two** on the menu.

Remembrance Day

Thank you to everyone who donated to the poppy appeal. The children attend Mrs Biddle's online poppy assembly and participated in the two-minute silence.

Home Learning

If you are still having difficulties with home learning please email Mrs Buckingham-Dudley who will be happy to help.

Thank you for all your continued support; we are so proud of all your children.

Best wishes

Mrs Nicky Biddle
Headteacher
