### Newsletter - Friday 16<sup>th</sup> October

Dear Parents and Carers,

Here is our latest newsletter.

#### Classroom Learning

This has been another great week at School for all the children!

Yellow and Orange Classes have been learning about fruit this week. They have made their own fruit salads as well as painting fruit and listing different types of fruit. They also started learning their first phonic sounds.

Green and Blue Classes have been solving adding and subtraction problems with pictures. They have also been practicing handwriting skills and learning about the life of Michael Bond, the author of Paddington Bear. They have also made posters and written descriptions of Paddington Bear.

Indigo and Violet Classes have been learning about ten's and one's involved in subtraction and adding. They have also been reading about Percy the Park Keeper and learning about local landmarks and whether they are manmade or natural. Violet Class participated in their outdoor learning day and Indigo Class's is Monday.

Well done everyone!

### **School Lunches**

School lunches are going well. The children have plenty of time to eat all their food and are enjoying the new menus. Next week will be **week two on the menu**.

On Thursday 5<sup>th</sup> November, school lunches will be inspired by Bonfire Night. Please see attached a poster for the options.

### **Updating Contacting Details**

If you have not received an email for **Rising Stars**, it may be because we do not have your most up to date email address.

Please confirm your email address by sending Mrs Buckingham-Dudley a message or the School Office. This applies for mobile phone numbers as well. Thank you.

### **Reception Parents**

If you do not have older siblings, please **do not** arrive **before 9:05** as Reception gate is **9:05 until 9:15**. The staggered times are in place for everyone's safety.
