Newsletter - Friday 27th November

Classroom Learning

It has been another great week at School for all the children!

Yellow and Orange Classes have been learning about the countries France and Italy this week as well as a few French words! They have also created repetitive patterns with pizzas and vegetables and have threaded pasta to make patterns too. They have also learnt about the famous Eiffel Tower.

Green and Blue Classes have been solving subtraction and addition problems on a number line for Maths during challenge week. In English, they have been written a letter to the alien, Beegu about their thoughts on her crashing on Earth. They have also been practicing their handwriting skills and exploring their senses. They have made space men in Art as well as Winter art for the hall.

Indigo and Violet Classes have been getting in the Christmas spirit and have designed their own Christmas cards. They have learnt about exchanging in Maths and using money as well as giving change. They have also been writing diaries about life as Antarctic explorers and fact files. They have created postcards to send to the rainforest or Antarctic.

Well done everyone!

Brexit

Brexit is looming as the 31 December is creeping up on us rather rapidly. To that end, I am attaching a poster containing information which you may find helpful. As the date for Brexit gets closer, we will send out further information to you as it becomes available.

School Lunches

Next week will be **Week One** on the menu.

Christmas

We have a couple of exciting things planned next week which includes a pantomime and a call from Santa (Please keep this a secret!) Also keep your eye on the website for photos of art works around the school.

Thank you for all your continued support; we are so proud of all your children.

Best Wishes
Mrs Biddle
Headteacher
