Have a go at writing the correct number). <p>Education City:</p> <ul style="list-style-type: none"> Continue to complete the games on Education City - if you do not have a log in please contact the nursery office.

Enjoy the half term break at home and have lots of fun. Here are a few things to keep you busy:

- **Independence:**

- Eating: can you use a knife and fork? Can you open a snack or yoghurt on your own? Next time you have something to eat have a go at undoing the wrappers by yourself.
- Dressing: Can you get dressed and undressed without a grown up helping? Do you know how to do up and undo buttons and zips? Are you able to put on and take off your coat independently?

- **Self-care:**

- Can you wash your hands by yourself? Remember it should take you 20 seconds!
- Are you able to wipe your own nose and put the tissue in the bin?
- Can you tell an adult if you don't feel well and explain what is wrong?

- **Name:**

- Can you spot your name or letters from your name?
- Can you read your name and do you know what it looks like when it is mixed in with other words?
- Are you able to write your first name? If this is too tricky try writing it using your finger and paints, or joining dots an adult has drawn for you first.

- **Numbers:**

- Can you count to five and then ten?
- Can you write your numbers to five and then ten?
- Can you recognise different numbers?
- Do you know which number is which when they are in a different order?
