

Home learning Guide for parents

We current are using the following resources to support home learning...

- Rising Stars

RISING  STARS

- Seesaw

 *Seesaw*
The Learning Journal

- Education City

 EducationCity®

And soon to be available...

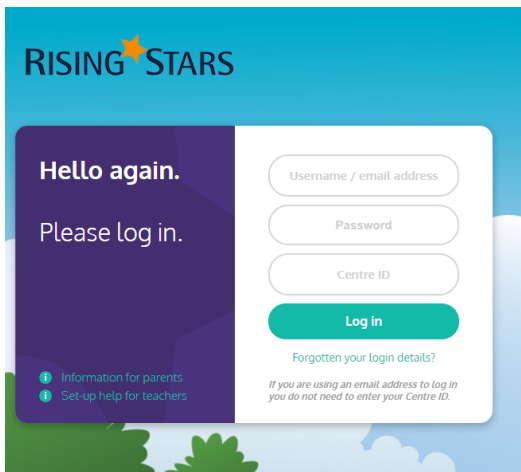

- Collins Busy Ant Maths – which includes freely available maths games

- Collins English 'Treasure House' – teachers can set homework for comprehension, grammar and spelling

RISING STARS

This is the log in screen

You would have received an email to create an account.

If you haven't received an email you must confirm your email address and check your junk folder.

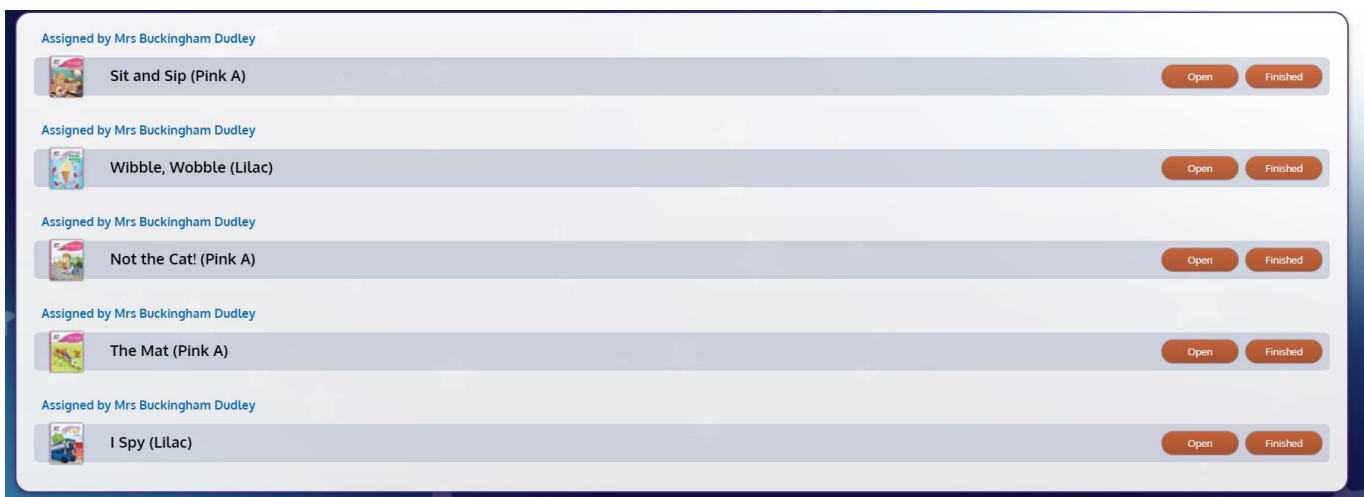

We can send a new email if needed.

You will then set up our own log in details including a password.

Once you have logged on with your user name and password, you will need to click on the box as shown here...

You will then see all the books that have been set for your child to read.

You can earn achievements for completing quizzes about the books that you have read.

Seesaw

The Learning Journal

Seesaw is an app that you can download from the App store.

Your child's teacher will email you a QR code that you will need to scan using the Seesaw app.

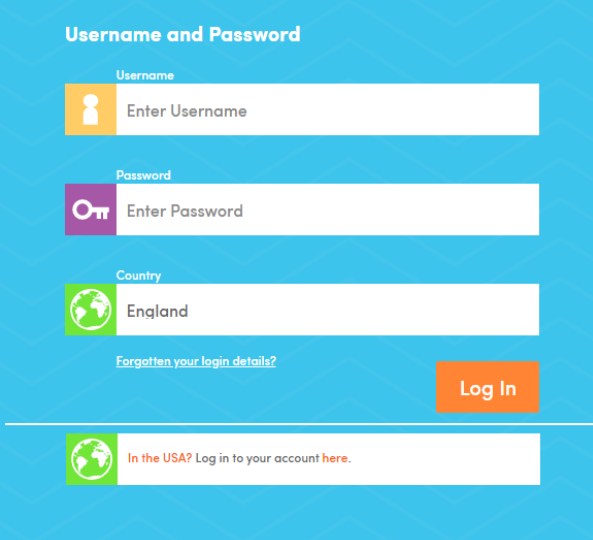

Once you have completed this you will be able to see all of the amazing activities that your child has completed in school.

We will also be able to use this to upload videos of your child's teacher reading stories or setting activities for your child to complete in the event that must stay at home.

Education city is a website that you have been given a log in for.

If you cannot find this please speak to a member of staff to get a new copy.

The screenshot shows the EducationCity login interface. At the top, it says "Username and Password". Below this are three input fields: "Username" with a person icon and the placeholder "Enter Username", "Password" with a key icon and the placeholder "Enter Password", and "Country" with a globe icon and the placeholder "England". There is a link for "Forgotten your login details?" and a "Log In" button. At the bottom, there is a link for "In the USA? Log in to your account here." with a globe icon.

Enter your user name and password and select England as the country

Click on homework to access the games and activities that have been set by your child's teacher.

Click on your class folder

Orange Class
Mrs Buddle

Mathematics

You will then see all the different games and activities that you can choose to complete.

Busy Ants and Treasure House

We have just added a new website for home learning but this will be for
YEAR ONE AND YEAR TWO ONLY

<https://connect.collins.co.uk/school/SHATTERL1/Student/>

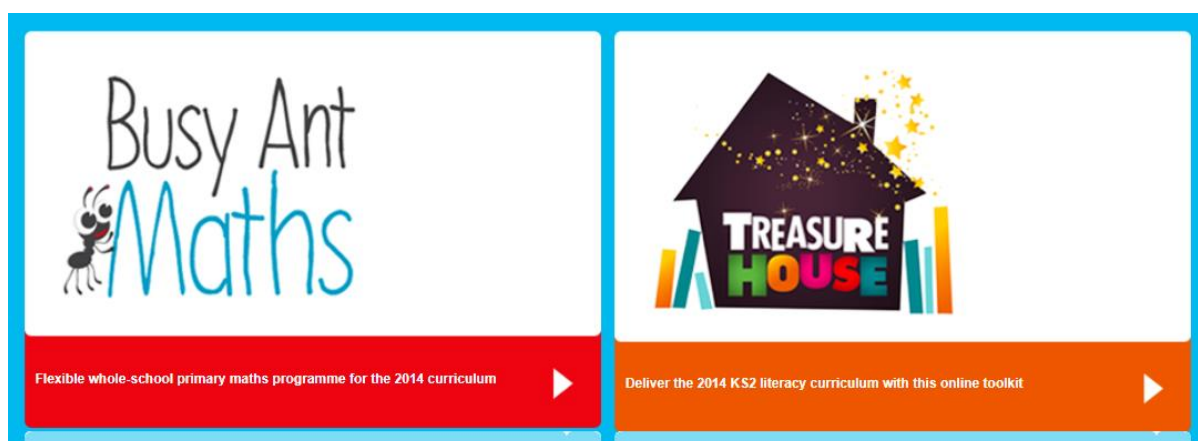

Please go to this website to log on...

The screenshot shows a login page for a 'Student'. At the top right, there is a teal square button with a white icon of three people and the word 'Student' in white. Below this, the school name is displayed: 'School name: Shatterlocks Infant & Nursery School - CT16 2PB(CT16 2PB) : Not your school?'. The login form consists of four fields: 'Date of birth' with sub-fields for 'Day' and 'Month', 'First letter of surname' with a dropdown menu set to 'A-Z', and 'Year group' with a dropdown menu set to 'Select Year'. A purple 'Login' button is centered below the form.

You will be able to log on with your child's name and year group.

- Day of birth
- Month of birth
- First letter of surname
- Year group

Once you log on you will see...

You can choose to select Busy Ants or Treasure house.

Busy Ants is for maths based games and activities that you can choose.

Treasure House will be to access games and activities that your teacher has set for you.

This is a new resource so please be patient and staff will set activities soon.

Any problems accessing any of these websites please speak to a member of staff or email Mrs Buckingham-Dudley who will help you with any issues.

Louise.buckingham@slocks.dfamat.com

Have fun!
