

NURSERY Newsletter

13th November 2020

As the weather grows colder, please ensure that your child has a warm coat labelled clearly with their name. We also ask that all children have a bag with a spare change of clothes in as well as nappies, nappy sacks and wipes if they are not yet toilet trained. We do not have enough spares to provide for those children who do not have a changing bag.

Our Special helpers this week:

Harlee	Deilan
Aanastasia	Layla
Faye	Alby
Harper	Elliot
Clara	Star

This week we have been learning about colour. We have been making repeating patterns using the beads and string, counting different coloured bears to match the correct number cards and sorting different materials into coloured groups. The children have also painted their hands different colours and mixed them together to get a new colour for our colour mixing display.

When leaving the premises, ALL Nursery parents/ carers MUST use the one way system in line with the school's COVID-19 safety procedures.

Our Mission Statement

Shatterlocks will provide a happy, caring, stimulating environment, where all members of the school community are valued, challenged and encouraged so that they will achieve their full potential.
