

# NURSERY Newsletter

23rd October 2020

## Opening times

Please remember that the Nursery does not open until 9:00AM, unless you have siblings in the rest of the school that need to be dropped off on the one way system. Children without siblings should not be arriving before 9:00 AM (unless an early slot is booked at a cost of £1) to ensure the safety of parents, staff and children outside of the school.

Your child will receive a Home Learning pack. This is a provisional measure in case of another lockdown. Please keep this pack safe just in case!

This week we have been learning about our likes and dislikes. In our groups we have been taking pictures of our favourite toys around the classroom, discussing why we like them with our friends. We have also been using the Smyths toys catalogue to cut out and stick the toys we like onto a piece of paper for our display. The children have also been practising their fine motor skills using the threading beads and laces. We hope you all have a lovely half term.

## Our Mission Statement

*Shatterlocks will provide a happy, caring, stimulating environment, where all members of the school community are valued, challenged and encouraged so that they will achieve their full potential.*
