

NURSERY Newsletter

2nd October 2020

This week the children have been learning about friendship. The children have made friendship trees using their handprints in paint and made their own friendship bracelets using the beads and string. We have also practised our writing on big sheets of paper and used small trays of sand to draw the first letter of our name using our fingers. We have had a brilliant week playing with our friends, putting our good sharing to practise with the toys in our nursery, just like the rainbow fish in this week's story.
