Our topic this term is Colours! This week we have been looking at the story 'Brown Bear Brown Bear'. The children have been threading string through different characters of the story, re-telling the story using the picture prompts and practised their handwriting, tracing over the circles on the paper. The children have also created some beautiful poppies which are proudly on display in our foyer.

If your child is self-isolating, a home learning timetable which can be used alongside the weekly activity sheets can be found on the Nursery page of our school website.

Our Mission Statement

Shatterlocks will provide a happy, caring, stimulating environment, where all members of the school community are valued, challenged and encouraged so that they will achieve their full potential.
