

NURSERY Newsletter

8th January 2020

The Nursery team would like to wish you all a Happy New Year! Thank you for your cooperation and continued support throughout this difficult time.

This term the children will be learning about Nursery Rhymes. Remote learning is accessible through our school website. On our class page you will find a Nursery Home learning routine that you may wish to follow. Alongside this, you will find a weekly Home Learning Activity sheet with some ideas of some activities you may wish to do with your children. This sheet will coincide with the learning we are doing with the Key Worker children in school. A new sheet will be uploaded every Friday for the following weeks topic.

We are also uploading a new nursery rhyme every week on to SeeSaw for your children to watch and listen to. There will be weekly uploads of different maths activities on to Education City for your children to have a go at. They can continue to practise all activities that have been loaded onto Education City.

If you need any support with their work or just to speak to the teachers during this difficult time, please do not hesitate to call or email in to the Nursery. We are here to help!

Nursery Email: Nursery.office@slocks.dfamat.com

Contact Number: 01304 204264 Ext 3

Please keep up to date with your ParentMail emails. We are hoping to contact you all via video call in the next few weeks. Please keep an eye out for the information regarding this in the coming weeks.

Our Mission Statement

Shatterlocks will provide a happy, caring, stimulating environment, where all members of the school community are valued, challenged and encouraged so that they will achieve their full potential.
