##### Summary of PPG Spending 2020 2021

###### Objectives of Spending PPG:

Pupil Premium is additional funding allocated to support pupils from low income families.

Although schools are free to spend the pupil premium as they see fit, they are accountable for how they use this funding to support pupils attainment and progress.

###### Objectives:

To narrow the gap in attainment between pupils eligible for Pupil Premium Grant and those not eligible.

Through the targeted use of this fund we are seeking to ensure that eligible pupils are making greater rates of progress than other pupils with similar starting points nationally. It is our intention that every child should achieve their full potential and their backgrounds should not be seen as barriers to success.
