

COVID 19 – Addendum to the Accessibility Policy July 2020

Shatterlocks Infant and Nursery School is fully compliant with DDA requirements:

- The school is on ground level with easy access and double doors.
- The main entrance into the school is via a sloping path from the road to the main reception.
- There are no stairs within the school building making it accessible to all. One of our two playgrounds is accessed up a flight of stairs which has a handrail on both sides and down the central section. There is access to the upper playground up a gentle grass slope and is still therefore accessible to pupils with physical disabilities. The other playground is at ground level.
- The field has access through both stairs and a gentle grass slope.
- The evacuation path is accessible for physically disabled pupils and staff via the use of slopes.
- There is a disabled toilet area in the central corridor.
- We ensure that equipment used is accessible to all children regardless of their needs.
- After-school provision and extra-curricular activities are accessible to all children; including those with SEND

Response to Covid 19 and adaptations to access for pupils and parents to site:

- A one-way system around the School is in place for all parents and pupils from 1st September
- There will be a walking bus for dropping off and collecting children
- The starting and finishing times of day are staggered to meet the safety requirements of safe distancing of two meters
- Space has been made behind the classrooms by developing additional outside classroom space on the field to allow greater spacing out for parents waiting for their children
- People with any disability may take a shorter route via the nursery path and children will be taken to them and collected from them by staff
- Parents with push chairs may use the field to exit if necessary

Times of day from 21 September 2020 when Reception are in Full time:

Year Two: 9.00 am - 2.30 pm

Year One: 9.15 am - 2.45 pm

Reception: 9.30 am - 3.00 pm
