

Dear Parents and carers,

Just to bring you up to date information regarding the School in these difficult times.

Firstly, we are still open are doing everything we can to keep the School running as normally as possible for the children. We are working hard to keep our School community safe and obviously making handwashing and hygiene a priority for children, staff and visitors. We would encourage you to inform us of any new coughs or temperatures as this will mean self- isolating for 14 days.

If you need to self- isolate as a family there are links on our website for activities to support learning at home. We are however very aware that many families do not have computers or internet, so we will be sending home homework packs to every child so that in the event of self- isolation or future School closures, you will have some useful resources at home. These will be sent home today so you have them ready if needed. If you are already self-isolating you are welcome to contact us to allow a friend to collect the pack for you.

Could I remind parents collecting their children at the end of the day to please space yourselves out and not crowd around the door.

We will be updating you as soon as we have any new advice or information from the Government on any matters relating to Schools and Coronavirus.

We would like to send you all our heartfelt best wishes to you all at this challenging and worrying time and hope that you and your loved ones stay well.

Mrs Nicky Biddle

Heathfield Avenue, Dover, Kent, CT16 2PB, Tel: 01304 204264, email: [paprincipal@slocks.dfamat.com](mailto:paprincipal@slocks.dfamat.com)
