### Reading at home

Our aim is for every class to achieve at least 80% reading at home every week. Please take a little time every evening to read with your child and sign the reading record book. Even if they do not want to read their school book, poems, rhymes, comics, non fiction books and listening to stories are all counted as reading and are valuable experiences which help to develop book language.

### Reading At Home

Well done **Jolly Jellyfish and Delightful Dolphins Class 78%** of the children read at home this week!

<b>Wonderful Whales</b>	<b>68%</b>
<b>Tiny Turtles</b>	<b>65%</b>
<b>Sparkling Seahorses</b>	<b>44%</b>

Can you improve your score next week?

### Thank You Stickers

Each week a member of the class is nominated to a special Thank You by the class teacher and this is presented in assembly.

### This Week

#### Reception

This week we have been learning about fairies. We have been counting and adding together spots on toadstools, which we created ourselves using finger painting. We went on a fairy flower number hunt, and we played a tooth fairy counting game. We have been writing fairy letters, and we have also been practicing writing in fairy dust! In PE this week we have continued to work on balancing and jumping off the apparatus. We have been threading beads onto magic wands, and we have been playing parachute games.

#### Year One

This week in maths we have been recapping number bonds to ten and twenty. We have been solving missing box problems, and recording pictorially. In English this week we have been learning about England, focussing mainly on the capital city, London. In history this week we have been learning about the Queen and her ties to London, and we have written letters to her. In Art this week we have been sketching and creating watercolour paintings of Buckingham Palace. In PE this week we have continued practicing ball skills, bouncing the ball to a partner.

#### Year Two

This week in maths we have been doing multiplication and we have been drawing our methods. We have also been solving one-step and two-step multiplication word problems. We have drawn some wonderful pictures of Christopher Columbus using charcoal. In Science this week we have been learning about the life processes of animals. In RE this week we have been learning about the five pillars of Islam. In English this week we have been writing our own stories about discovering our own islands. We have been thinking about adding suffixes to words.
