What a brilliant first week back! This term the children are learning all about colour. In our group time, we have been experimenting with mixing different colours, wrote our initials using different coloured paint and also looked at the story of Elmer, using the Elmer teddy to re-enact the story! We have also created our very own firework pictures and have proudly hung them up to display in our classroom. The children have been very lucky with the weather this week and got to enjoy the toys in our wonderful outside area too!

Applications for primary school places for next year open on **Tuesday 5th November 2019**
(Please refer to the poster on the main door for the details of how to apply online)

Please ensure that once you have entered the foyer to the nursery, mobile phones are put away as they are not to be used inside the nursery. This includes the nursery entrance where children hang their belongings. This is to support the data protection of the nursery.

Our Mission Statement

Shatterlocks will provide a happy, caring, stimulating environment, where all members of the school community are valued, challenged and encouraged so that they will achieve their full potential.
