This week we have been learning all about our likes and dislikes. We have sorted different items of plastic food into our own categories of foods that we like and foods that we don't like. We have also tried different flavours of ice cream and picked our favourite flavour! Our class favourite was chocolate ice cream!

If your child brings in a packed lunch, please ensure that all grapes are sliced in half and that there is **no peanut butter** in their sandwiches

Our Mission Statement

Shatterlocks will provide a happy, caring, stimulating environment, where all members of the school community are valued, challenged and encouraged so that they will achieve their full potential.
